

Scholarship Application

Step 1: School Eligibility

Before applying for an Opportunity Scholarship Fund scholarship, a student must apply and be accepted at an accredited private school that participates in the Opportunity Scholarship Fund program.

Step 2: Student Eligibility

1. The student must be a legal resident of the United States, live in Oklahoma, and have been accepted by the accredited Oklahoma private school.
2. The student must meet ONE of the following three criteria: Live in a family within the Adjusted Gross Income guidelines (see right) OR; attend, or live in the attendance zone, of a public school designated as “in need of improvement” by the State Board of Education OR; attended an Oklahoma public school with an individualized education program (IEP).
3. If the student is eligible, go to Step 3.

INCOME ELIGIBILITY GUIDELINES

Family size 2	\$88,412
Family size 3	\$111,500
Family size 4	\$134,588

For each additional family member, add \$23,088

Consult the member school income eligibility guidelines as the school guidelines are usually lower than those allowed under this Law.

Step 3: Complete Student Application

1. Complete an application for each of your children eligible for a scholarship.
2. Include the first two pages of the family's most recent federal income tax return (Form 1040) or Form 1040EZ. Speak with your school's leadership about accepted alternate proofs of income.
3. **Return the completed application(s) and adjusted gross income documentation to the accredited private school at which your child is accepted. DO NOT send the application directly to the OSF.**
4. The school will evaluate the family financial needs in accordance with school policy. If the student is deemed eligible and appropriate by the participating school administration, the school will endorse the application, include a recommended scholarship amount, and forward the application to the Opportunity Scholarship Fund office for processing.
5. If there are available funds in the school account, and if the student meets all eligibility requirements established in the law, the OSF will prepare a scholarship check made out jointly to the parent and school. The check will be mailed to the school.

A separate application is required for each child | Each application must be fully completed and have proof of income attached
