OSF SCHOLARSHIP RECIPIENTS

OSF does not award scholarships based on race, ethnicity, gender, religion or other characteristics. All scholarships are based on financial need, as determined by the State of Oklahoma.

100% of scholarships were awarded to eligible families based on their reported income, with the majority of scholarships being awarded to low-income families.

TESTIMONIAL

“OSF made it possible for our granddaughters, Brielle and Briez, to attend a school where they learn about faith, hope and forgiveness.”

At the time, we had just been granted custody of the girls, and our family was paying out-of-pocket for several dentist and doctor appointments. If it wasn't for the scholarships from OSF, we could not continue to send the girls to private school.

I am humbled and grateful for the help, which would not have been possible without the donors and everyone involved.”
